Is the author currently employed, or have they previously been employed, by a commercial organization?

- **Yes**
  - Is the employment current, or have they been employed within a period of 36 months prior to title registration (or to work beginning for an update) through to publication? (N.B. for authors joining part way through, the relevant timeframe is 36 months before their involvement through to publication)
    - **Yes**
      - Does the commercial organization have a financial interest in the topic of the review? (e.g. is it developing, manufacturing or distributing (anywhere in the world) an intervention that is the subject of the review or potential comparators?)
        - **Yes**
          - This breaches the Col Policy for Cochrane Library Content (2020), therefore they cannot be an author on any relevant Cochrane Library content.
          - If you still have questions, please submit a referral to the Research Integrity Editors and Col panel here.
        - **No**
          - The author’s employment is no longer relevant, therefore this does not breach the Col Policy for Cochrane Library Content (2020). This person can be an author.
    - **No**
      - This does not breach the Col Policy for Cochrane Library Content (2020). This person can be an author.
